ICEN Portable Air conditioner (aircooled)

Strong Cool Air With High Efficiency

Weltem Portable Air Conditioner ICEN provides strong cool air with high efficiency where whole air condition is not available.

ICEN HPC-5000

FEATURES

- ❖ Easy Installation
- ❖ Cleanses & Dehumidifies the air as it cools
- ❖ Washable Filter
- ❖ Self-Diagnostic System
- ❖ Hot & Cold ducts are easily extendable
- ❖ Suitable for all applications
- ❖ Condensate overflow protection
- ❖ Spot cool and room cool thermostat settings

INFORMATION

Airtag's new rental portable air conditioners feature spot cooling for large areas where cooling of the entire area is not practical. A dedicated spot cooling thermostat controls the unit in this application. These air conditioners can also be used in smaller areas for room cooling. A control panel provides ease of use and contains a self-diagnostic function and display, showing operating modes, room and set temperatures, and faults. If an abnormal operation occurs, a visual display of the fault is shown. Caster wheels are included for easy portability.

	HPC-5000
Cooling capacity	6.1kW 21,000BTU 1.75Ton
Weight	90Kg
Coolant	R-22 / R-410A
Air Filter	Aluminum Vinyl Chloride
Power Plug	Plug Type
Rated Voltage	1ø 208-230V 50Hz / 60Hz
Dimension (W*D*H)	560 * 620 * 1,280 mm
Rated current	11.5A
Condensate tank	12l
Power consumption	2.3 kW
Cooling Area	50m ²
